What is PEEP/KEEP?

Our Preschool Extended Enrichment Program (PEEP)/Kindergarten Extended Enrichment Program (KEEP) developed for Kindergarten and Pre-Kindergarten students offers an extended day. **This program is optional and offered at an additional cost.** The curriculum for PEEP/KEEP is closely aligned with that of Pre-K and Kindergarten. PEEP/KEEP takes the skills and concepts the children are learning in class and reinforces, explores, expands and develops them in a novel context utilizing the arts, sciences, problem-solving, and creative learning opportunities.
